i4F kicks off new exhibiton season at NAFCD, November 2-4, 2021

- *i4F supports NAFCD Annual Convention for 3rd consecutive year*
- *CCO, Asia and Russia and CCO, North America and Europe both present on i4F Booth #236*

HAMONT, BELGIUM – i4F, a group of companies providing patents and technologies to the flooring industry, today announced that it is once again exhibiting at the North American Association of Floor Covering Distributors (NAFCD) annual convention – **booth number #236**. This year’s event takes place in Dallas, Texas, at the Hilton Anatole from November 2-4. This will be i4F’s third time as an exhibitor – physically and virtually, demonstrating its commitment and support to the NAFCD as well as its members.

The North American Association of Floor Covering Distributors serves distributors, suppliers and service providers of floor covering materials and related products. The volunteer organization enables the leaders of wholesale floor covering distributors to be the most efficient, professional and profitable vehicle for bringing their suppliers’ product to market, resulting in the highest degree of satisfaction from suppliers to customers. Learn more at www.nafcd.org.

Senior members of i4F’s management team will be physically present on the company’s booth #236, including Matthieu Dekens, i4F’s Chief Commercial Officer North America and Europe and David Song, the company’s Chief Commercial Officer, Asia and Russia. They will share details on i4F innovations feature cutting-edge solutions in the areas of drop-lock technologies, digital printing, surface finishing – including technologies that imitate ceramic grouts, wall and ceiling installation systems, high demand, new materials and panel compositions as well as manufacturing processes.

About i4F:

i4F® is an innovations group focused on the development of patents and technologies for the flooring industry. Its portfolio includes IP for flooring installation and wall mounting systems, material compositions, surface treatment, digital printing as well as laminate and board production technologies. i4F has strategic partnerships with the industry’s most important IP players, including Classen, Kronospan, HMTX, Windmöller, CFL Flooring, Tarkett, Kingdom Flooring, Lico, Benchwick, QuickStyle Industries, Hymmen and Shaw Industries. The company’s flagship technologies, 3L TripleLock® and Click4U®, provide a unique one piece drop-lock installation technique for flooring panels that eliminates the need for an additional insert on the short side. The solution is suitable for laminate, luxury vinyl tiles, expanded polymer core, solid polymer core and wooden flooring panels. International patents and patent applications for i4F’s technologies have been granted and filed in over 100 countries worldwide. Visit i4f.com
